MEMORANDUM FOR: All OGC Attorneys

FROM:

E □

SUBJECT: Recovery of Classified Agency Documents

1. I am attempting to compile a comprehensive list of classified Agency documents which, because of their relevance to judicial proceedings, are being held at Justice or at state or federal courts. I will attempt on a periodic basis to confirm the continued need for these documents to remain out of Agency custody and seek to recover them whenever possible.

2. For each case, please provide a list or description of the documents. Note where the documents are being stored and who would be the appropriate person to contact.
